CONNUMACH

FOREWORD

In this age people are continually experimenting and discovering new and better means of transportation. We hear of jet planes, rockets and even trips to the moon and other planets. Listening to all these stories we wonder what the next step will be. We have collected and arranged here in picture and story form, life on our Planet CTHS. We hope we have succeeded in bringing to you the most outstanding features of our stay here.

It is with great joy that we, the Senior Class of 1954 present this volume of the CONNUMACH to Space.

Ex Libris

THE CONNUMACH

PRESENTED BY

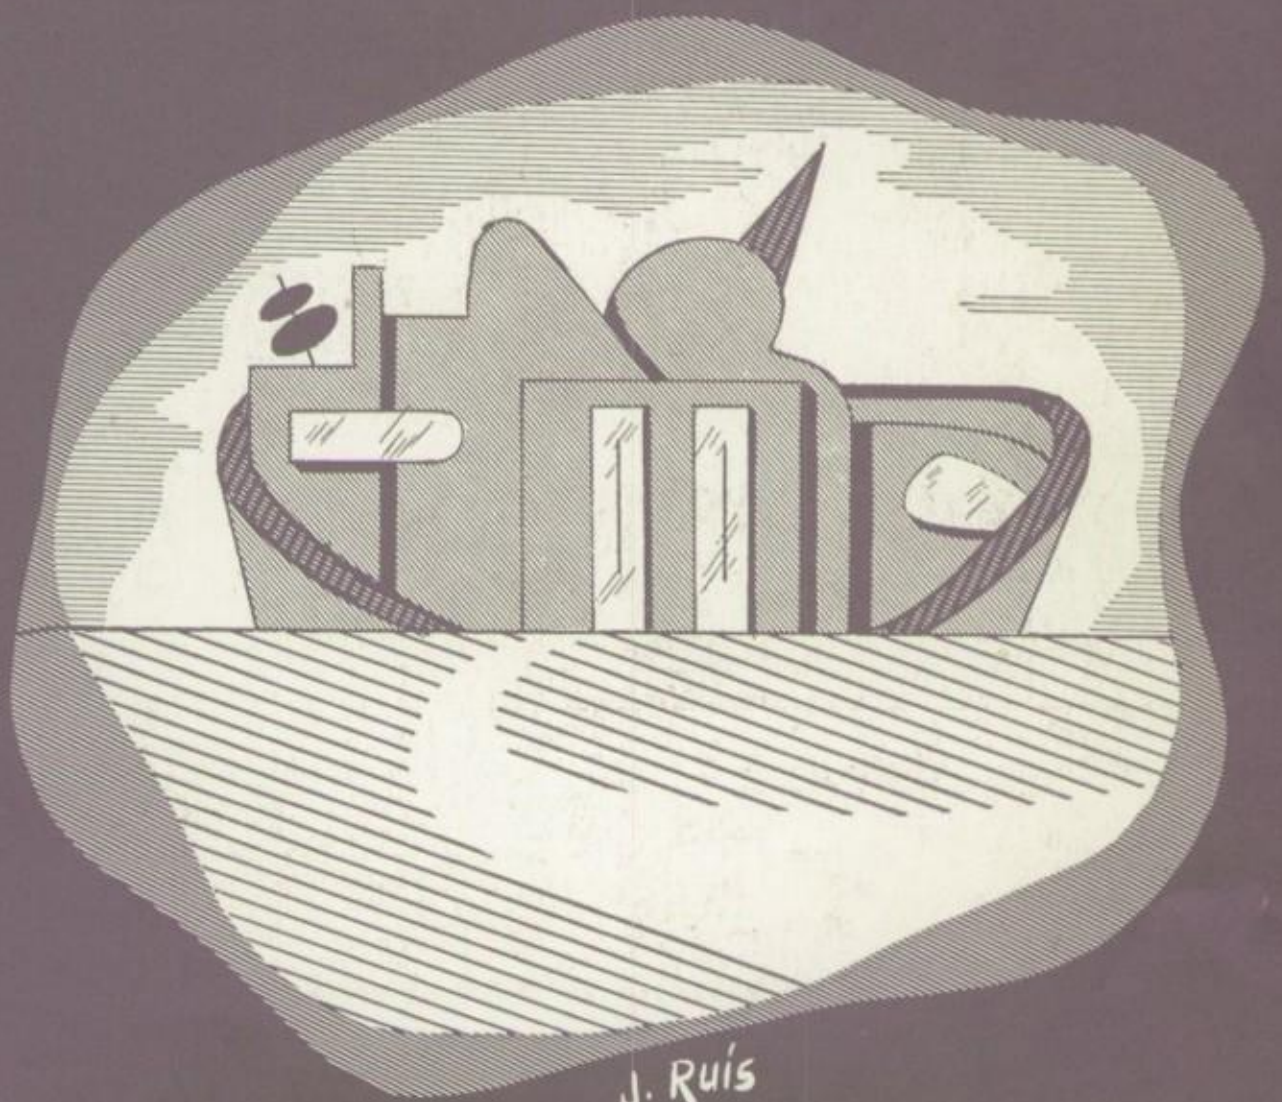

*The 1954 Senior Class
of*

Conemaugh Township High School

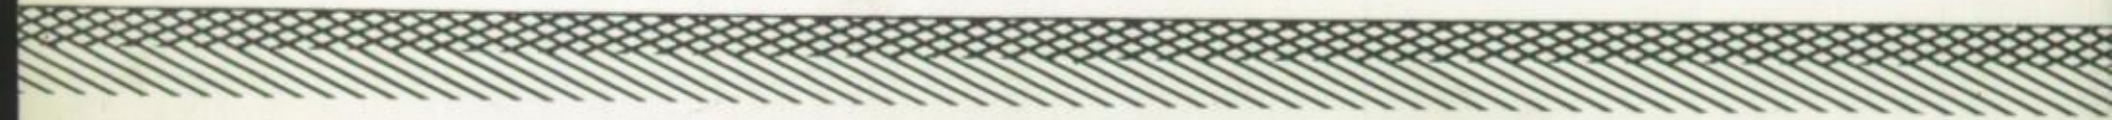

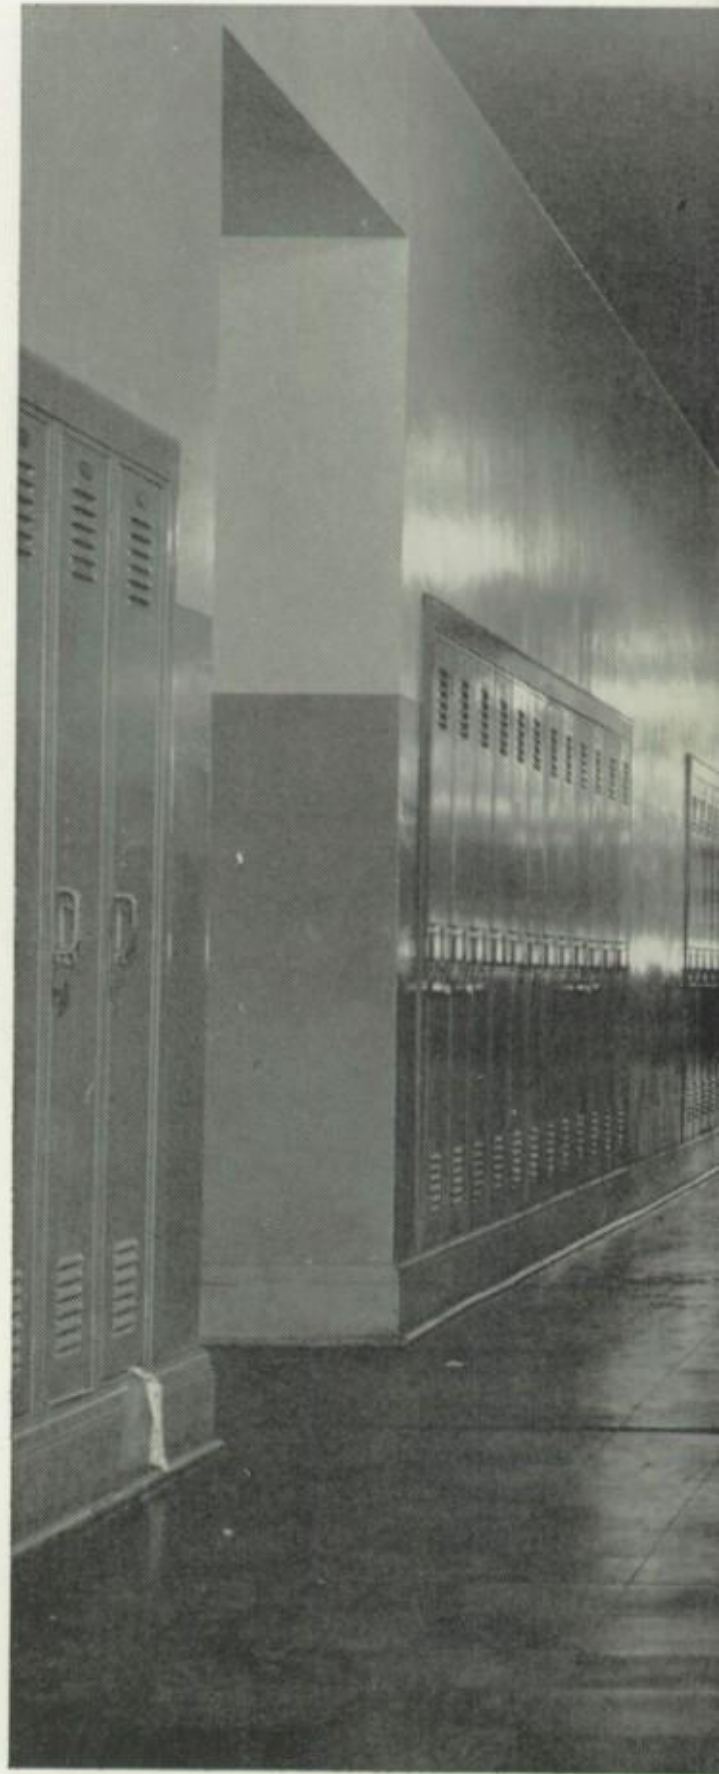

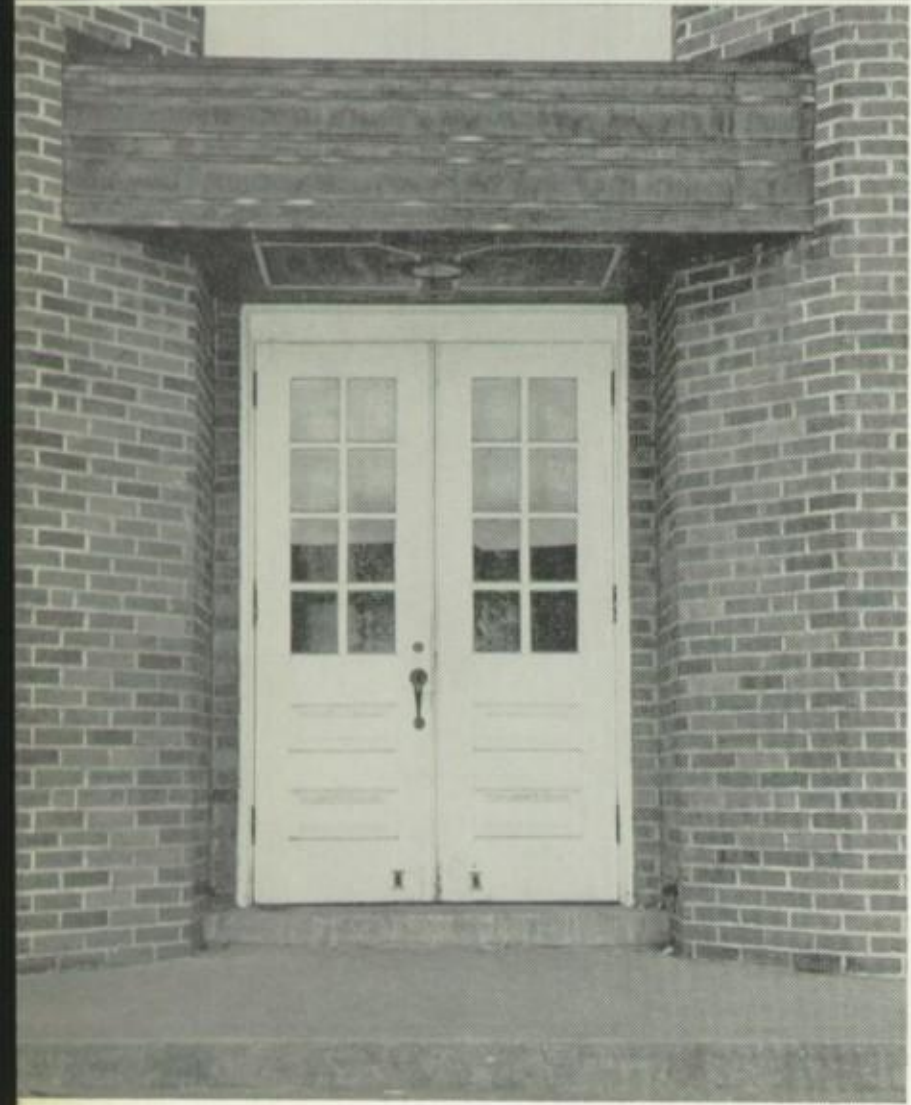

DAVIDSVILLE, PENNSYLVANIA

Vol. XVI

Oh

Conemaugh

with spacious halls and campus
bright and green,

Our fondest memories will remain
in each endearing scene,

We'll ever pledge our loyalties,
devoted hearts to you,

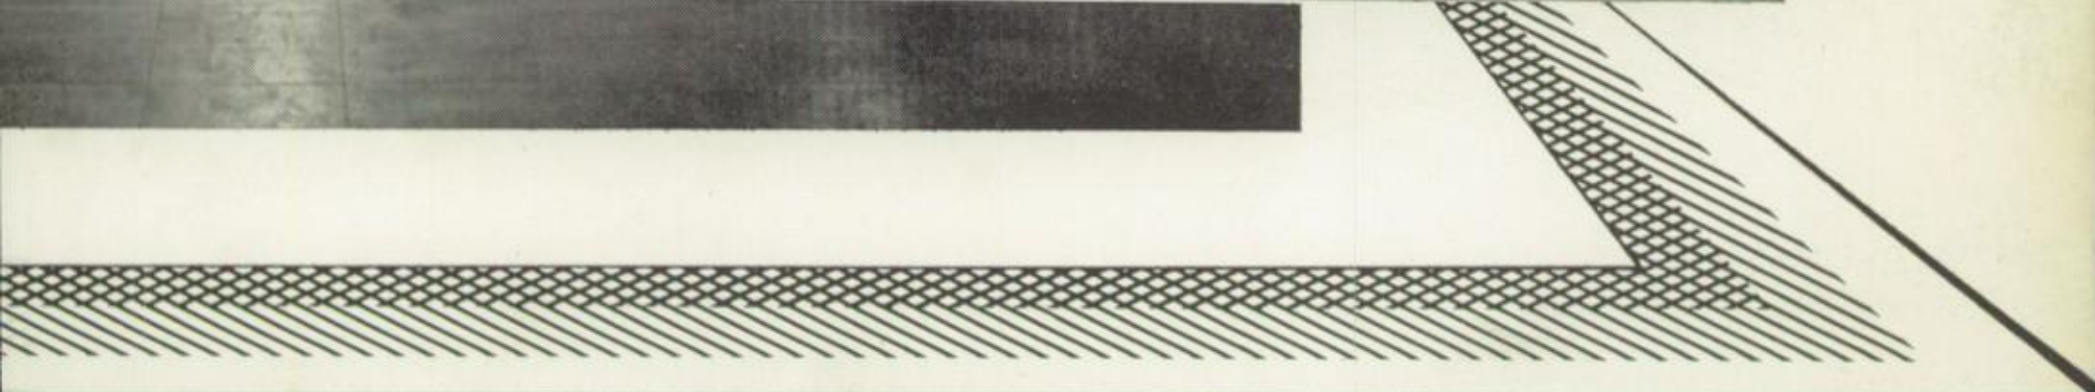

To Thee our Alma Mater, we'll
ever more be true.

Hail, hail to the Red and Black,

Hail to our school with a cheer,

We give our best to Conemaugh,

Whose fellowship we hold so
dear.

CONNUMACH

EDITORIAL BOARD

This efficient board did a fine job as editors of activities, art, music, typing, sports, classes, and photography.

Marcia Cassler, Editor

EDITORIAL STAFF

Through the combined efforts of these industrious students the CONNUMACH was successfully published.

STAFF

Our associate editor helped smooth over the rough spots with which the editor had to contend.

Ronald Jones, Associate Editor

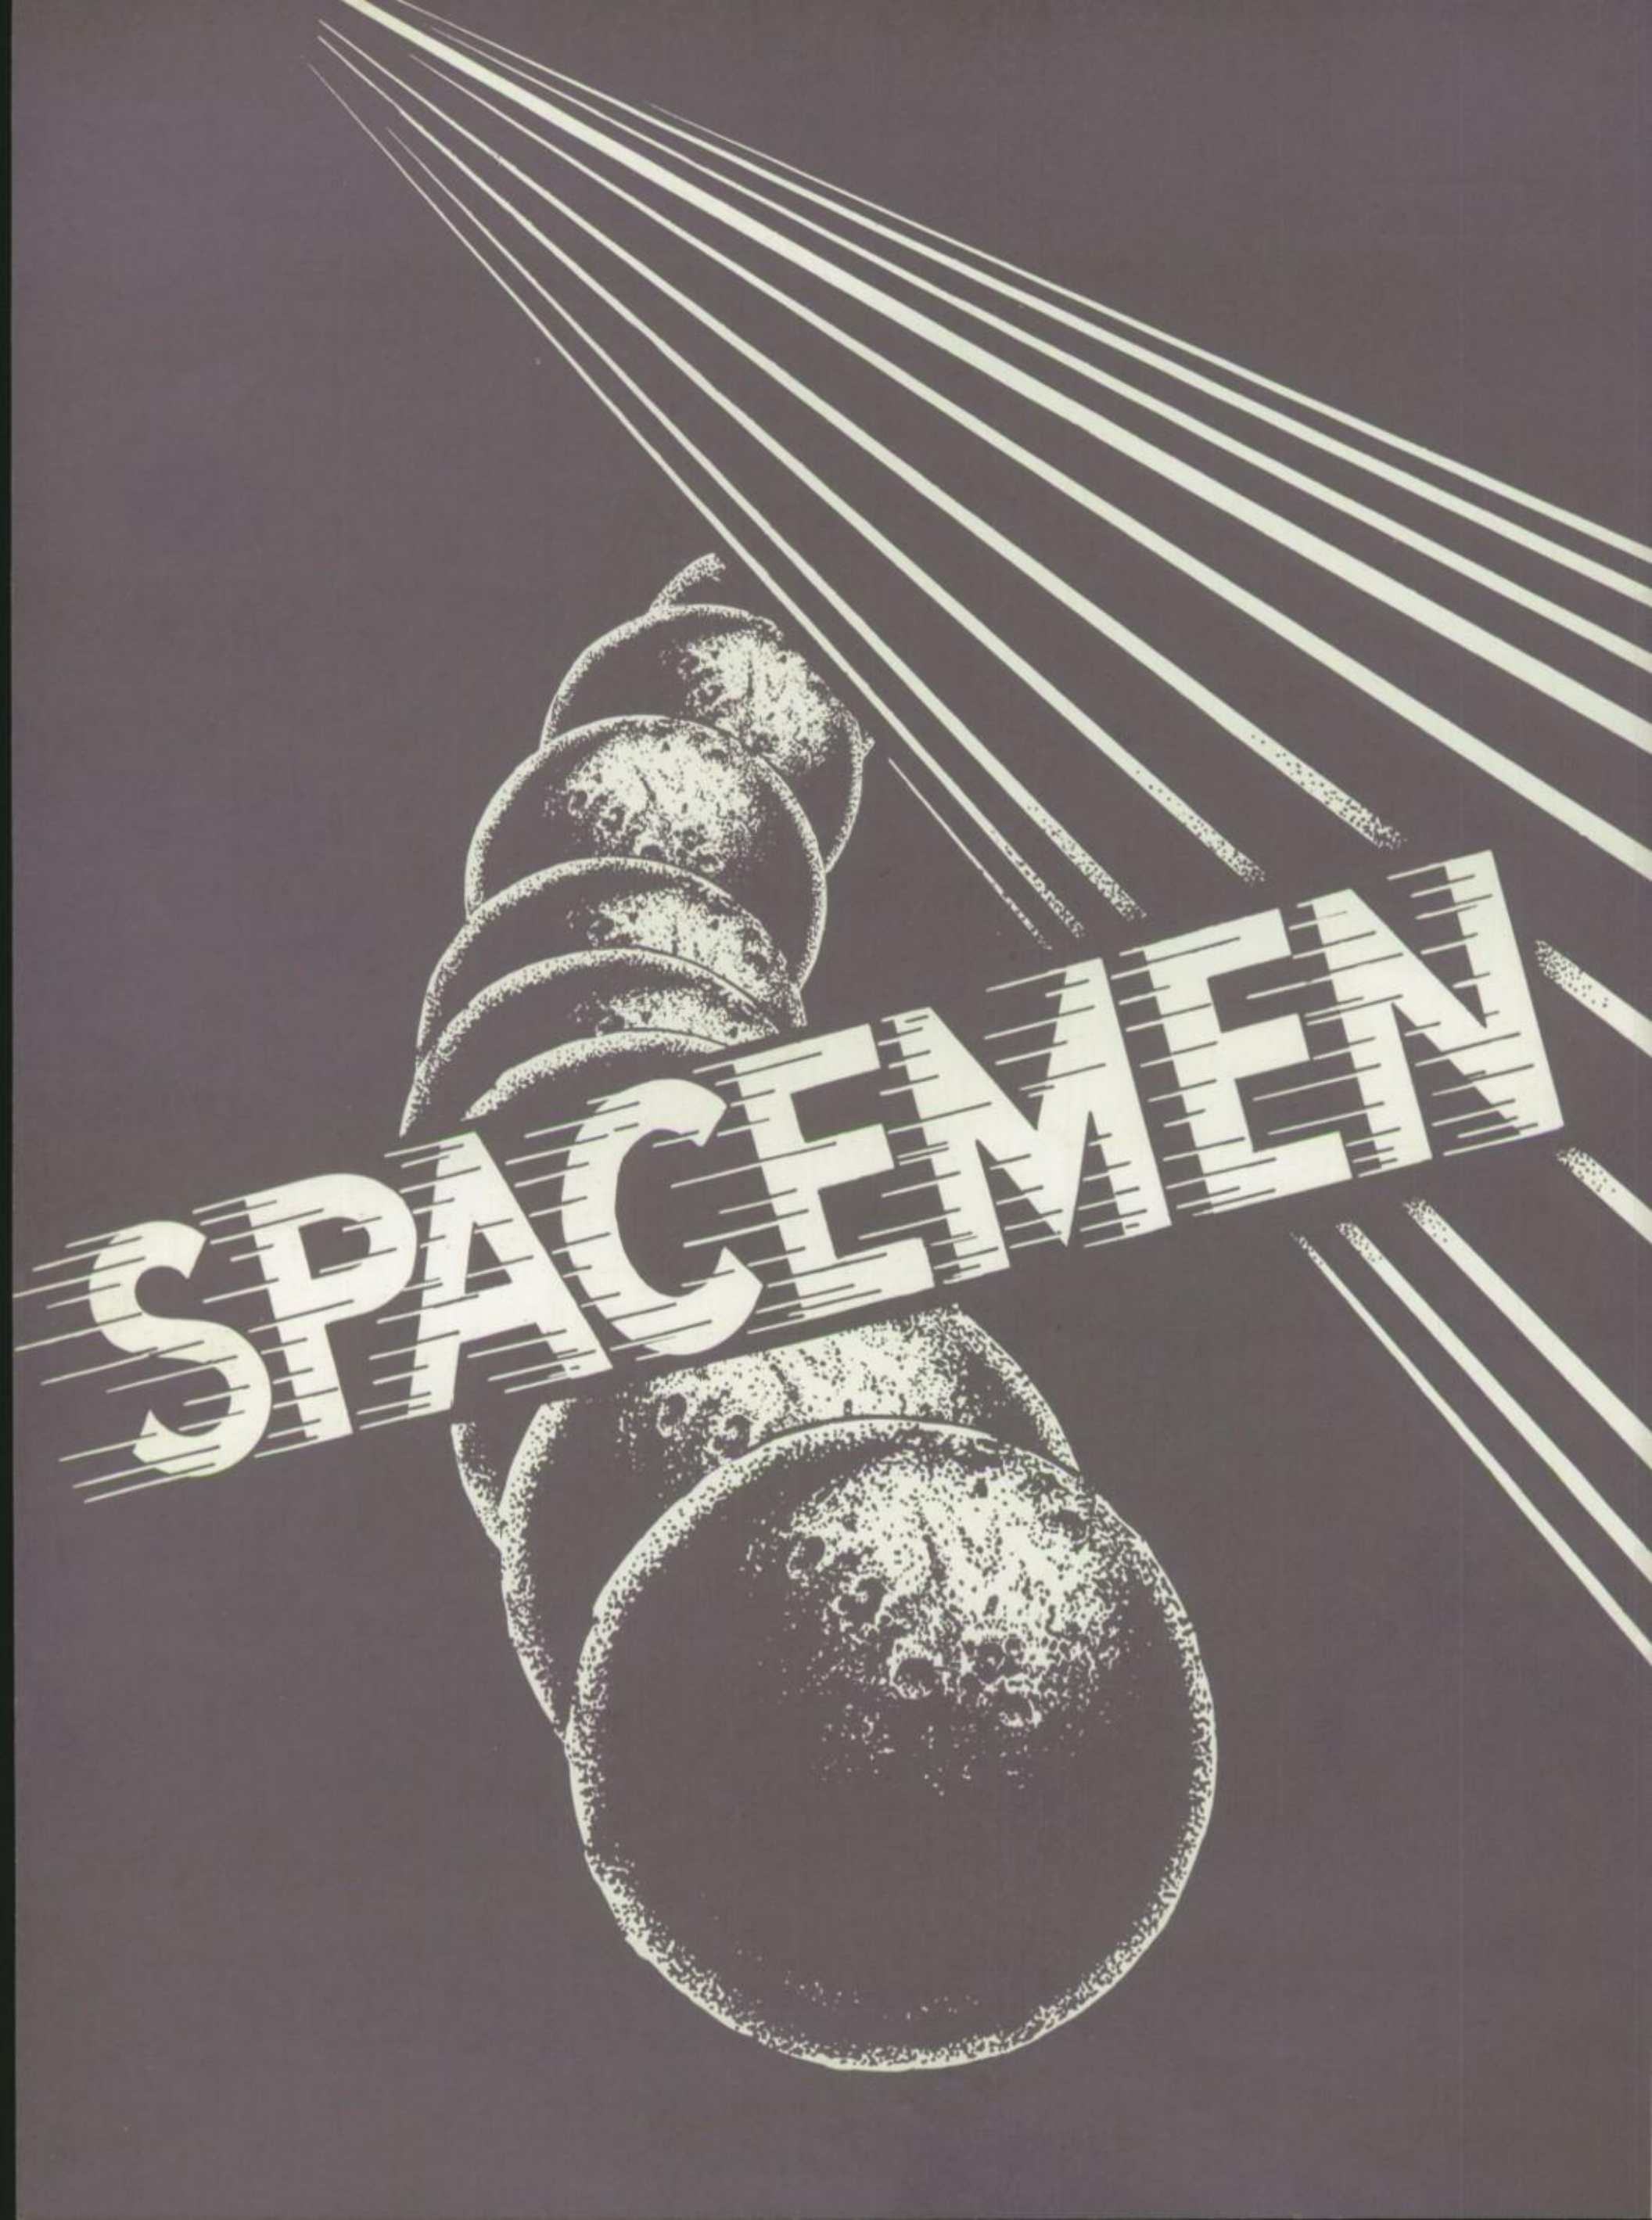

ADVISORS

Without the grateful assistance of our advisors our yearbook would not have been possible. We, the staff, wish to express our deepest thanks to them for their wonderful guidance.

BUSINESS STAFF

The business staff, headed by Janice Miller, worked faithfully to meet the expenses of publishing the CONNUMACH.

SENIORS

SENIOR CLASS OFFICERS

President — RICHARD HORNER
Vice-president — WAYNE HOLSOPPLE

Secretary — LINDA HAAS
Treasurer — JOAN KELLY

Congratulations — Class of '54.

It has been fun working with you the past three years. As you approach a new phase of life, work hard; never lose sight of your goal. Apply what you have learned and grow in wisdom and character as you take your places among the good citizens of the world.

To this Class I extend the best wishes for success in everything you undertake.

EMMA JEAN BARRON

SENIOR CLASS DEANS

Graduating from high school, even in this confused world, is a very happy occasion.

I am certain that your graduation is only a stepping stone towards the attainment of the higher goals upon which you have set your sights. May you try your utmost to achieve those goals without wavering. Make of graduation what it should be—a step forward towards your chosen vocation.

Whether your future be college, work, military service, or marriage, approach it as diligently as you did your school work, and success will be yours.

CLASS OF 1954

"What's this? The moon paying us a visit here on earth? Don't be alarmed, Richard and Lucille are just putting the finishing touches on the big silver moon that was part of the decorations for our prom in May, 1953.

Hurry Bob! Don't be late for class.

CLASS

Before we Senior Cadets start our travel into the future, let us reminisce to see what impression we have made in the history of Conemaugh Township High School.

In September, 1948, a group of eager cadets entered C. T. H. S., in search of knowledge which would help them to enjoy life more fully. Although most of the cadets "stuck with the ship," the roster shows that each year some of them failed to realize the great need for education, and dropped out.

When we became Freshman we were beginning to be recognized by others. At this time we also felt a need for an organized unit rather than our small social orbits. The officers chosen to lead us were Sallie Mishler, Commander; Ronald Harmon, Subcommander; John Younkin, Lieutenant Secretary; Linda Haas, Lieutenant Treasurer. Walter Shank and Miss Katherine Mellinger were chosen as our deans for the next four years. Cadets Janice Miller and Richard Horner received American Legion awards for outstanding scholastic achievement as Freshmen. We also began early to make our mark in the interscholastic sports world, by Cadet Robert Jones's winning the District V wrestling championship.

As Sophomores we became more accustomed to combating difficulties and realizing the true meaning of our search for knowledge. We chose new officers: Commander, Janice Miller; Subcommander, Ronald Harmon; Lieutenant Secretary, Linda Haas; Lieutenant Treasurer, Richard Horner. Mrs. Emma Jean Barron was elected as dean to replace Miss Mellinger who resigned. Our biggest project as "Sophies" was the Christmas Dance with "Snowflake Swirl" as the theme. Helen Dill was selected Sophomore Queen for the Valentine Dance. We sponsored a skating party at Westmont Grove, in order to improve our financial status. Again we made our mark in sports with two Cadets winning wrestling honors. Tom Coachman won the District V championship and James Devine won the District V and regional championships.

When we became Juniors we had made our mark in many activities—sports, music, drama, art, and journalism. This year gave us our big chance at dramatics with the class play, *The Whole Town's Talking*. Catherine Garlesky represented the class as Junior Queen for the Valentine Dance.

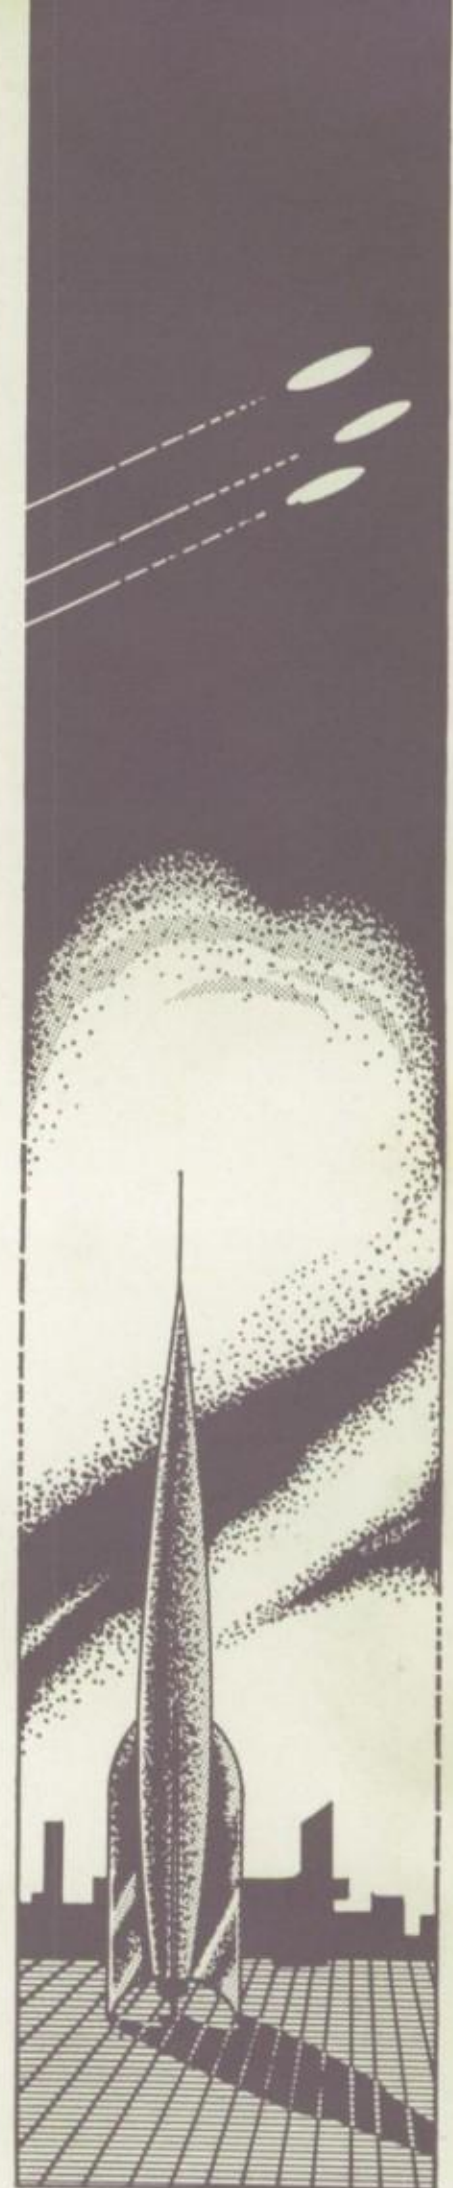

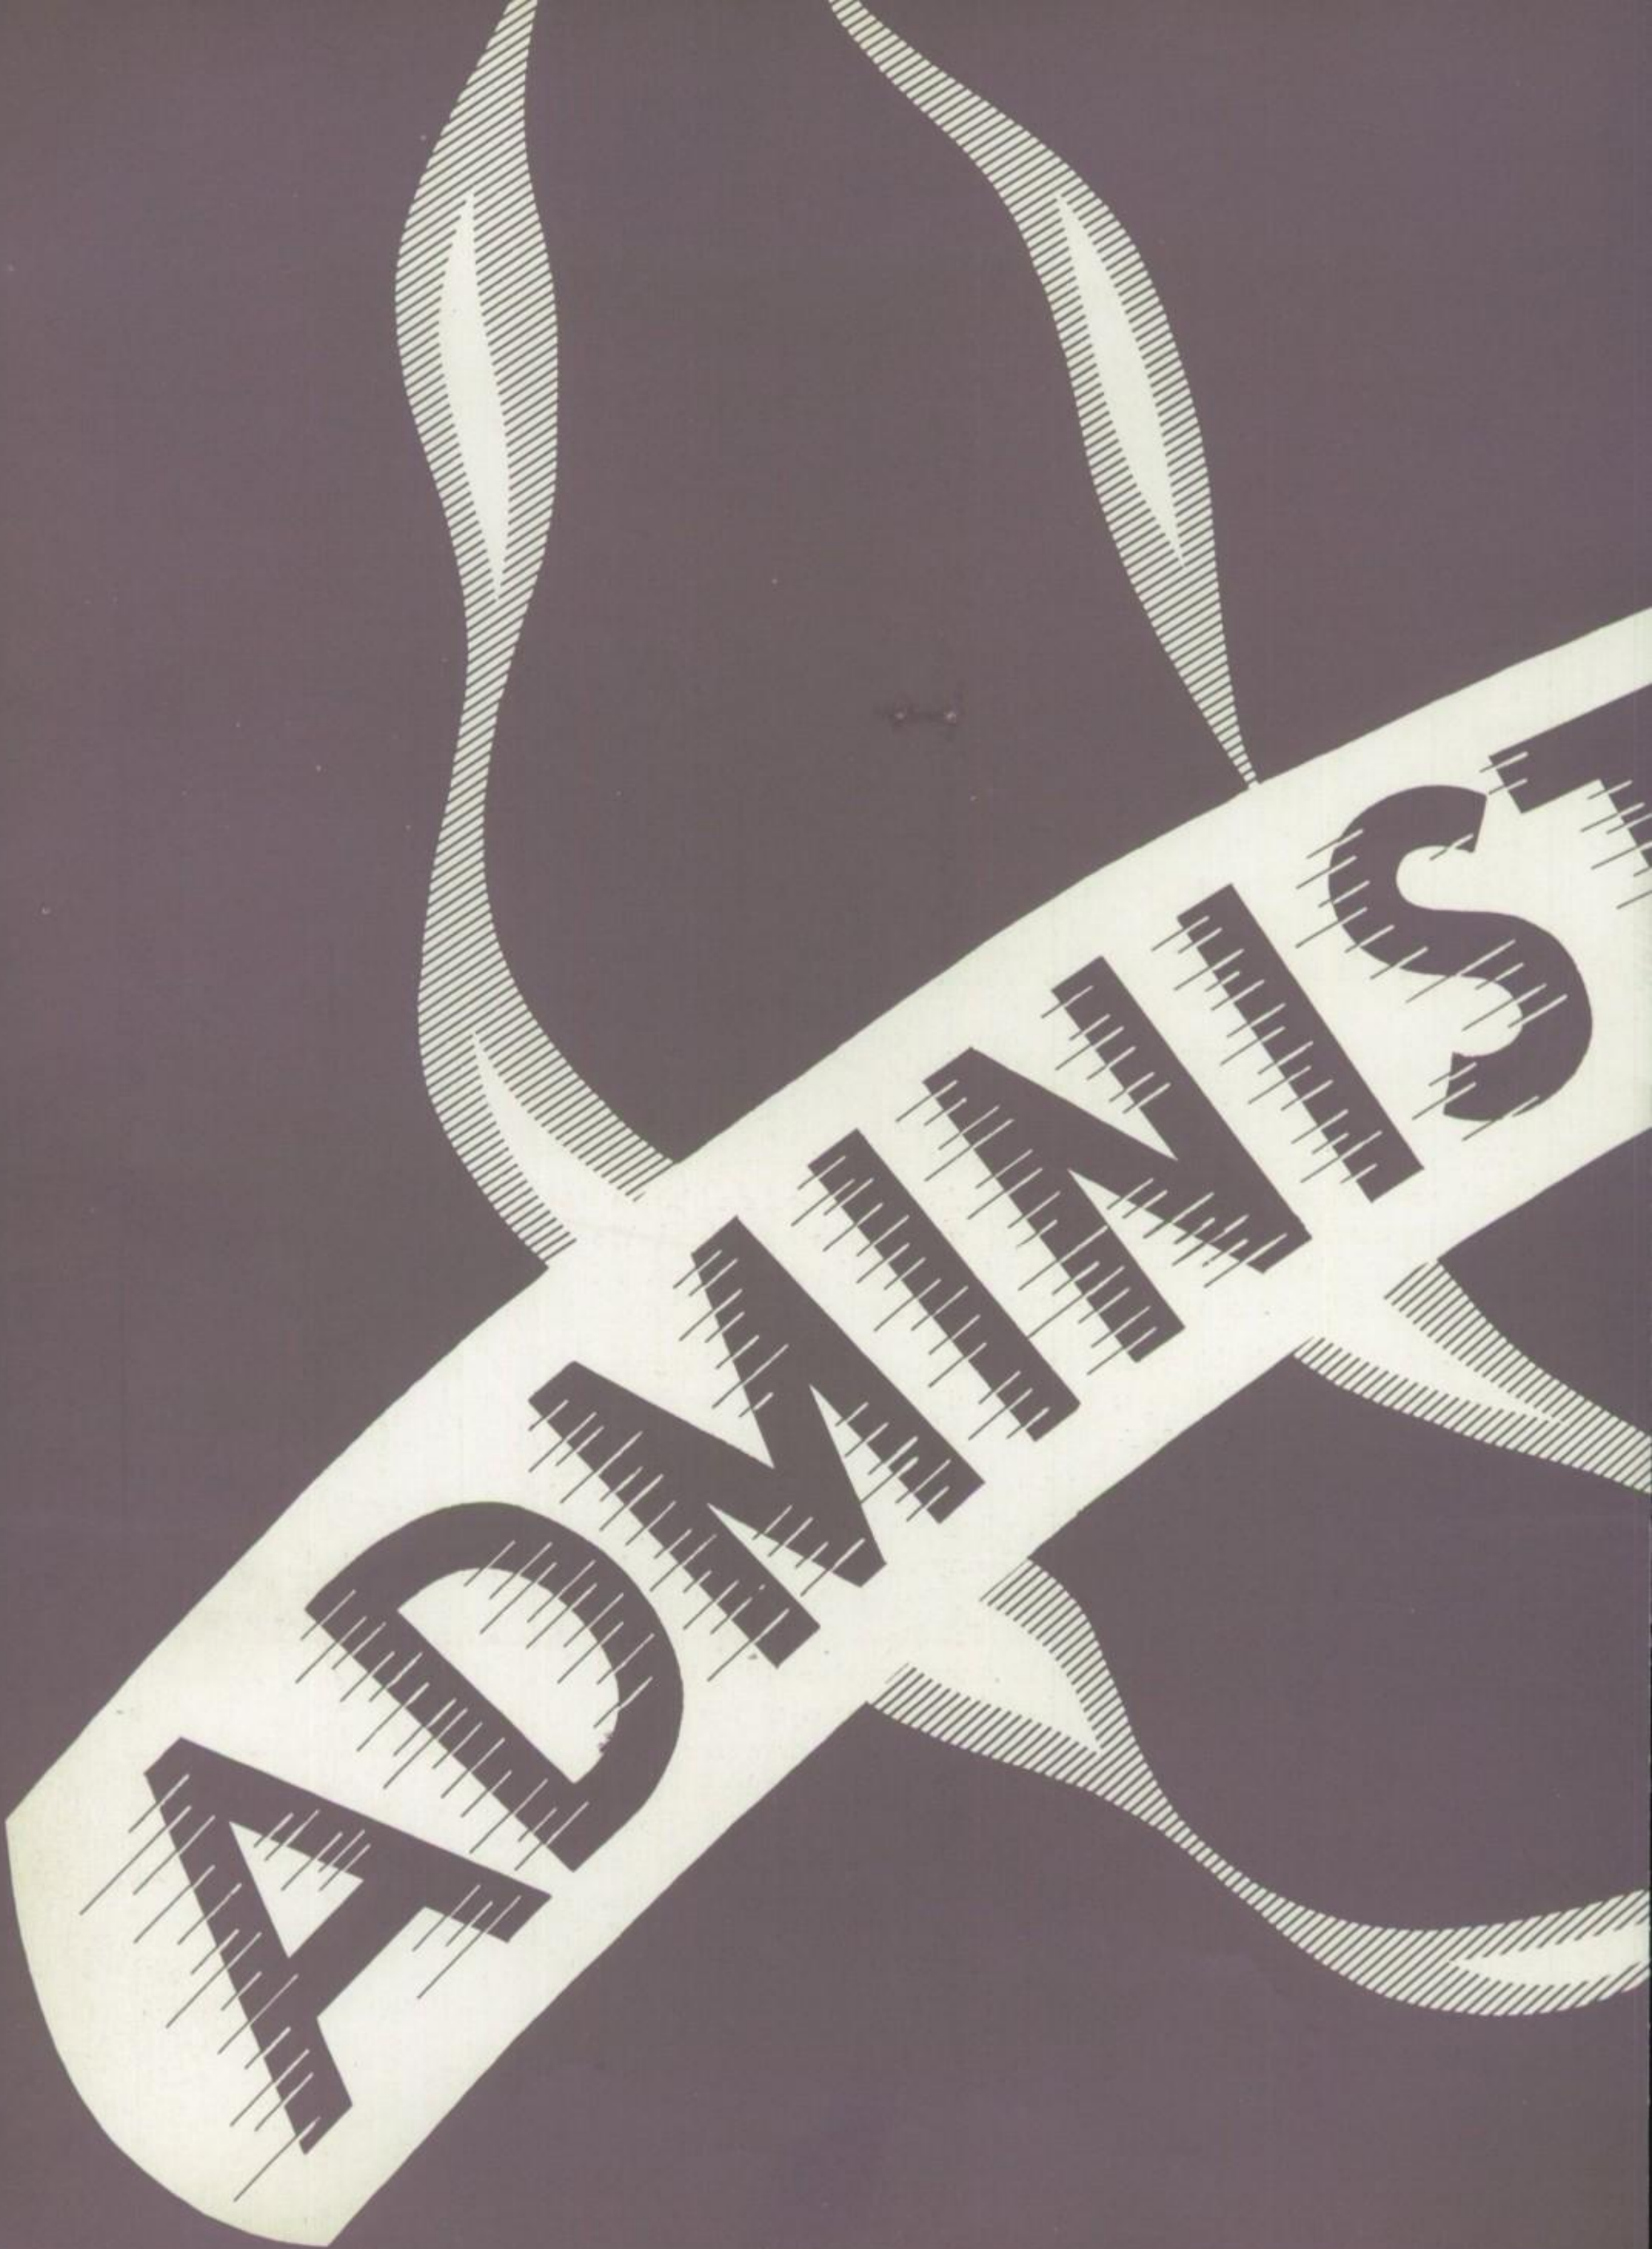

HISTORY

All through the year we had anticipated with pleasure our role as host for our big event—the Prom. We had sold football and basketball pins to assure us sufficient funds to accomplish our plans. We worked hard at this project and were well rewarded with a successful spring prom, the theme of which was "My Blue Heaven."

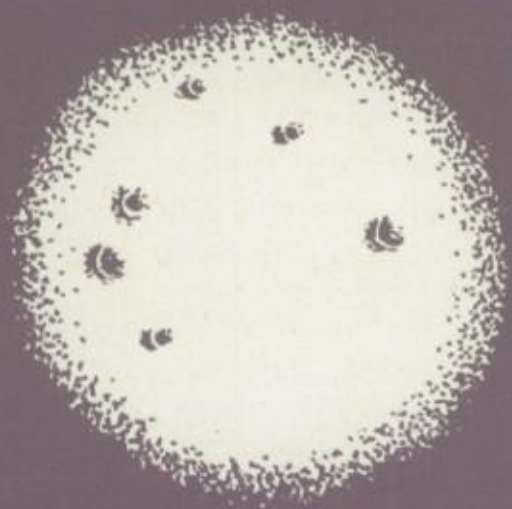

Guiding us through this year were: Commander, Ronald Harmon; Subcommander, Richard Horner; Lieutenant Secretary, Linda Haas; Lieutenant Treasurer, Joan Kelly.

At last in 1953, the goal for which we had striven so long and so hard, was now achieved. We were dignified Senior Cadets! Our first accomplishment was the Senior play, "Jenny Kissed Me," with John Younkin and Sallie Mishler in leading roles. During this year three of our girls won distinction for their pulchritude—Donna Kaltenbaugh, as Senior Queen at the Valentine dance; Eleanor Govaker at the World's Baton Championship in Johnstown; and Jane Thomas at the Maple Festival Queen Contest. Our officers for the Senior year were: Commander, Richard Horner; Subcommander, Wayne Holsopple; Lieutenant Secretary, Linda Haas; Lieutenant Treasurer, Joan Kelly. The prom, class day, baccalaureate, and commencement ended the activities of these fine Cadets. In this short history we have touched only a few highlights of our school career. As we leave these halls, filled with pleasant memories, to take our places among the C. T. H. S. graduates, we hope we have made our imprint upon the history of the school. We want to express our thanks to the teachers and advisors who have so ably guided us through the years.

RATION

Some seniors think that a high school diploma is a magic carpet. They will ride through the clouds to the pot of gold. Experience of our former graduates proves this dream immature and inaccurate.

Rather, a diploma is a key which opens doors. When you enter you prove your worth. Whether a job or college, military service or keeping house, the world may not be as friendly as Conemaugh Township High School. Sometimes your best will not be good enough. You may not be offered a second chance.

We hope your school in co-operation with your home, church, and community has given you that strength of character which will help you rise after defeat and accept success with humility and appreciation.

Remember, too, that our best wishes go with you all the way.

TELFORD B. BLOUGH
Supervising Principal

Space is limitless and practically empty, despite the presence of billions of stars, planets, comets, nebulae and other heavenly bodies.

Our space neighbors—planets, moon, sun—as well as the far-away stars, are controlled by precise and immutable laws that no man or men can ever alter.

Graduating C. T. H. S. students can at best hope only to improve the environment—for themselves, their neighbors, and posterity—during their brief stay on earth, our speck of the universe.

OFFICE IN ACTION

SCHOOL BOARD

Left to right—Wolfe Huber, Jr., John Stahl, Rudolph Meyers, Dr. G. G. Grazier, Vice-President; Dr. P. L. Backman, President; Foster D. Custer, Secretary; Paul O'Conner, Treasurer; John Yoder, William Pugh, F. J. Bailey (deceased).

This group of men are seldom seen by us students but we owe them a great deal. These are the men who see that our school is run in the right way.

LUCY CORTESE—Here is Lucy hard at work at one of her many duties. She is the young lady who makes up the payroll so efficiently before each payday.

LOIS WILLIAMSON—Reports and Lois seem to go together. Along with dictation and typing there is never a dull moment for her.

MARY JANE CERYAK—Mary Jane is our new office secretary this year. She can usually be found giving out excuses and admits to class.

FRANK NEGAST, Attendance Officer, is always out looking for someone who finds skipping school a pleasure.

SENIOR HIGH CHORUS

The largest organization in the music department was the senior high chorus consisting of over 200 students. They met twice a week for rehearsals, under the direction of Miss Shaffer. At this time they rehearsed for All-County Chorus and the Spring Concert in which they played a great part. From this group, students are selected for the various vocal groups and five were chosen for Central-Western Chorus.

OCTET

The octet, a newly organized group of songsters, made a great hit in its new season with both the public and the students. It was composed of Jane Thomas, Dwight Mostoller, Janice Naugle, Richard Kisslak, Nova Head, Millard Thomas, Arbutus Eash and Alvin Blough. The accompanist was Nancy Greninger.

QUARTET

The boys' quartet found much enjoyment in their work and also furnished wonderful entertainment for their audiences. The quartet was composed of Dwight Mostoller, Gerald Manges, Richard Kisslak, and Wayne Naugle.

ORCHESTRA

Here you see on display those who furnished the appropriate tunes for our junior and senior class plays. The high quality of music can be attributed to their faithful leader, Mr. Salay, and to the hard work of all its members, who met two homeroom periods a week for practice.

BRASS ENSEMBLE

Noted for their array of splendid tones is the brass ensemble. They furnished appropriate music for all occasions, playing for assemblies and other school activities. Especially liked was their presentation of carols at Christmas.

JUNIOR HIGH CHORUS

One group that benefited by their experience in chorus work was the junior high chorus. They met once a week for rehearsal, under the direction of Miss Shaffer. During that one period they worked hard, not only for special programs but also as a preparation for senior high chorus. As a reward for their hard work, they participated in the annual Spring Concert.

JUNIOR HIGH ENSEMBLE

The junior ensemble was a club of selected singers from the junior high chorus. Although they had only one rehearsal every two weeks, they made great progress in adding to the world of entertainment. Under the direction of Miss Shaffer, they sang in assemblies and for other school activities. They were accompanied by Mary Lee Bergman.

JUNIOR HIGH TRUMPET TRIO

Three youngsters who could make fine music were Clyde Mikesell, William Reinholtz, and Edward Hart.

JUNIOR HIGH GIRLS' TRIO

Gertrude Hanson, Judy Liska, and Roberta Helsel sang their way through a year of great success as they were accompanied by Linda Broucher.

TRUMPETERS

Robert Phillips, Carolyn McDaniel, Katherine Botic, and Fred Blough enjoyed working together rehearsing for the Spring Concert.

SENIOR HIGH GIRLS' TRIO

Frequently seen on stage were Jane Thomas, Arbutus Eash, and Nova Head as they sang both novelty and classical numbers. They were accompanied by a charming lass, Nancy Greninger.

JUNIOR HIGH BAND

The junior band looks very promising too in their effort to contribute toward filling the spaces left by the seniors.

ASSEMBLY BAND

The assembly band consists of select members of the senior high band. As time flew by they added to the school's entertainment by furnishing music for assembly programs.

SWING BAND

Each club period the swing and sway music of the swing band could be heard coming from the band room. This jazz band played for such occasions as the cheering contest, junior class play, and the Spring Concert.

CHOIR

The choir, composed of 62 voices, has been one of the most honored organizations of the music department. They have been outstanding in their beautiful renditions of sacred music. This fine group of singers worked hard, under Miss Shaffer's direction, rehearsing before and after school. Along with the work there was also fun as they went caroling at Christmas and went to various churches and meetings to sing. Nancy Greninger was a very capable accompanist for the choir. The program for their sixth season was as follows:

Bless This House - - - - - arr. by Noble Cain
 Break Forth Into Joy - - - - - J. Barnby
 O Love That Wilt Not Let Me Go - - - - - arr. by E. M. Steckle
 Holy Lord of All - - - - - Frances Williams

Boys' Quartet—Wayne Naugle, Dwight Mostoller
 Gerald Manges, Richard Kisslak

Shepherd of Tender Youth - - - - - J. M. Hopkins

Girls' Choir

Oh for a Heart to Praise My God - - - - - J. B. Dykes
 Now Let Every Tongue Adore Thee - - - - - J. S. Bach
 Alleluia

O Bread of Life - - - - - F. M. Christiansen

The Student Council gives the opportunity for student participation in the management of school activities. Its aims and purposes are for the improvement of both the student and the school. One of the most important projects of the Student Council is the publishing and distribution of the handbook, *THE SCOUT*, which explains the school and its functions to every student. The Council this year sponsored feature-length movies, noon movies, and dances. Each year the Christmas season is ushered in with attractively decorated trees and sprigs of evergreen placed throughout the school by the Council.

The Council is a member of the National, State, and West Central Pennsylvania Associations of Student Councils. Four delegates and a sponsor represented our school at the state convention at West View High School in October. On April 24, our Student Council was host to a convention of the WCPASC.

OFFICERS AND SPONSORS

Sandra Haddow, Assistant Secretary-Treasurer; Joe Witkowski, Chaplain; John Younkin, President; Alan Baer, Vice-President; Mrs. Wonder, Mr. Terebus, Sponsors. Absent when picture was taken: Carolyn McDaniel, Secretary; Kathleen Gaudlip, Treasurer.

Friday noon! Why's everyone dashing back to home room? Oh, I know—the CONTOWNIAN has just been distributed there. Every week the whole school looks forward to the school newspaper which is always so interesting and new-sy. The "P. O." is always buzzing with activity as editor, Linda Haas, and her staff seek out the news and rush to meet the deadline.

The CONTOWNIAN won the Quill and Scroll Award for their outstanding achievement in the news world.

Mrs. Kring is the advisor of the paper and Mrs. Statler supervises mimeographing.

SENIOR CLASS PLAY

The Senior planetary play, "Jenny Kissed Me," portrays the life of earthlings in 1953. The regular routine in the life of old-fashioned Father Moynihan was humorously changed by the sudden appearance of Jenny, the orphaned niece of Mrs. Deazy, the housekeeper.

Father Moynihan decided that the only way to get rid of Jenny was to get her married. To do this he had to enhance her natural beauty to make her attractive to men. Due to his success Jenny married Michael Saunders, a young educator, and Father was compelled to start a beauty school.

JUNIOR CLASS PLAY

No, not ten little spacemen, but "Ten Little Indians" was the name of the mystery the Junior Class presented on February 17th. The "Ten Little Indians" refers to a group of statuettes on the mantel of a weird country house on an island. Embossed above them is a nursery rhyme telling how each little Indian met his death until there were none.

To this queer Byzantine mortuary eight assorted guests were invited by a mysterious host. While the guests were assembled a voice came out of the air accusing everyone present of murder; however, not the sort of murder on which one is convicted in court. Suddenly one of the Indian statuettes toppled off the mantel and broke. Immediately thereafter a death occurred—nine to go.

THESPIAN SOCIETY

Initiation into Thespian Troupe 412! This is the longed for event for many an aspiring earthling! Every January the troupe grants membership to certain students who have performed meritorious work in dramatic arts.

The National Thespian Society is an honor organization established for the advancement of dramatic arts. The aims of the society are two-fold: (1) to establish standards of excellence, and (2) to create an active interest among the students and public.

This year the Thespians vitalized the community spirit by presenting the human interest story of Jerome at the annual Maple Festival, at Meyersdale.

Five members of the troupe attended a dramatic conference in Cumberland, Maryland, in the fall. On April 10, members of the troupe attended another conference at Indiana State Teachers College. At that time, the Thespians 412 presented Conrad Seiler's "How to Propose." Janet Weber also spoke at the "Public Relations Workshop."

During the year, the Thespians took part in a series of exchange assembly programs.

The Thespians hold a meeting every first and third Wednesday noon. During the second semester they hold one evening meeting a month at the home of a member.

Traditionally, the year's activities are brought to a close in May with a banquet at Green Gables. After the dinner, the Thespians see the opening play of the local summer theatre.

THESPIAN OFFICERS

Ronald Jones, Scribe; Mary MacDonald, Vice-president; Sallie Mishler, President; Donna Kaltenbaugh, Secretary; Vivian Blough, Treasurer.

STAGE CREW

These are the boys who "set the stage." You could find them behind the scenes for all assemblies, plays, or concerts. They were seldom seen but their work was very important in making various types of entertainment possible for us.

PROJECTOR BOYS

Under the direction of Mr. Warren, these boys helped in the audio-visual program of our school. They operated the projectors for assembly or class-room movies.

SCHOOL STORE

"Service with a smile" was the motto of these girls as they handed out the cokes, ice cream, potato chips, pies, and almost anything good to eat, as well as school supplies. Under the direction of Mr. Dyer, the school store was operated for the convenience of the students at noon.

SCHOOL BANK

"The books must balance!" During the sixth period each day, you could find these five dependable girls in the office balancing the school accounts. With the help of Mr. Beckley they have had some very practical experience in banking.

CHEERLEADERS

"Mercury, Venus, Pluto, Mars, here are Conemaugh's cheering stars!" Under the direction of Mrs. Ickes and with the help of the Co-Captains, Felicia Pipta and Mildred Pike, the cheerleaders have done a wonderful job. Winning or losing, our cheerleaders never let our boys down. They were the first to win the district cheering contest for three consecutive years, and now have permanent possession of the cheering cup. They had the honor of being host to the cheering contest this year, and had a very successful contest with the largest crowd ever known to attend in the district.

DEPART

MENTS

Our planet, Conemaugh Township High School, is divided into departments of social science, English, language, mathematics, commercial, art, home economics, vocational agriculture and shops. Our instructors have worked hard to give us the essentials of each subject and keep us on the right track. On the next few pages we have attempted to bring to you some true-to-life scenes in our classrooms.

SCIENCE

Stand by Mars! The scientists are developing an H^{72} Bomb, the most powerful thing since the invention of the skunk.

My! This girl certainly has courage. But, of course, if she wants to become a space cadet, she must be able to withstand many such tests.

SOCIAL SCIENCE

We can't all become politicians—nor would we want to, but we do want to know the foundations of our political principles. Here is the place we learn the problems of our American Democracy and how to help solve them. We study not only the functions of government but also how man as an individual can help to make a better life in a well-regulated community. Our study of current events gives us an understanding of the world and its effect on us.

We study the past to face the future! Our knowledge of the problems of our ancestors in American history should help us to be better citizens of our world today and the world of the future.

"If only I knew the answer."
... You will, if you stay with the civics class. This course includes a study of Pennsylvania, its history, and its government.

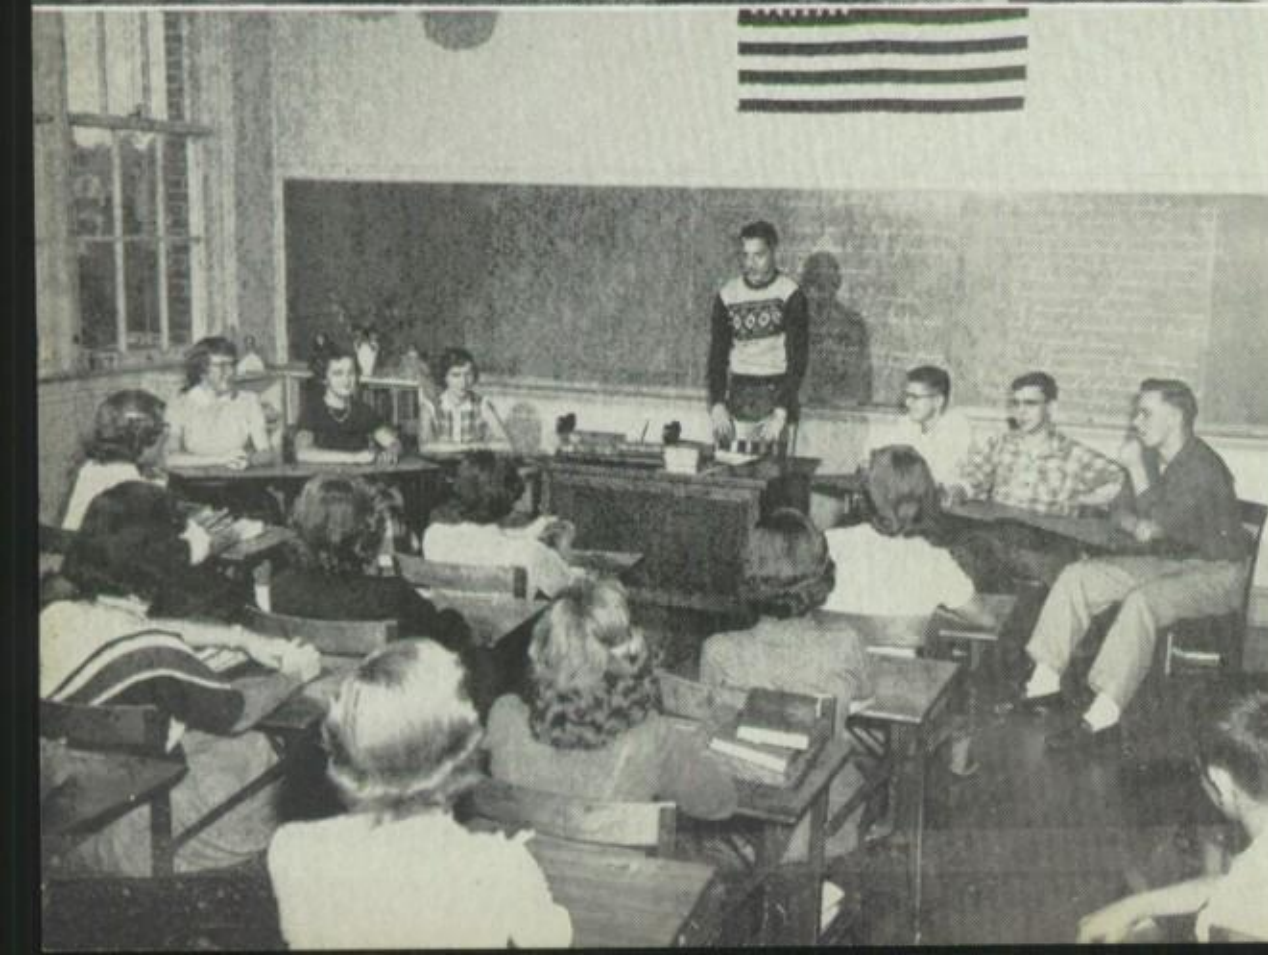

ENGLISH

Besides studying the correct usage of the English language, these senior cadets read *Beowulf*, the *Canterbury Tales*, and Shakespeare's *MacBeth*.

Mrs. Kring's eleventh grade English class went into the study of folklore this year, and through the efforts of the students, the play, "Johnny Appleseed," was written, and presented at several grade schools.

Even though we've conquered space, we still have to study English. I wonder—do the men from Mars really understand us?

LANGUAGES

"Se habla Espanol aqui!" Maybe so, but it is a tough struggle learning the correct pronunciation, numerous tenses and difficult pronouns. But this Spanish will come in handy in the future because the advance of science has drawn the world closer together. Therefore the Spanish speaking people of the world are now our close neighbors.

Everyone fasten your safety belt! We're ready to take off to 500 B. C. Destination—Rome, Italy! Well, we may not go that far, but we're certain to learn about the Romans, under the expert guidance of Mrs. Wonder.

"Amo-amas-amat" . . .

Familiar sounds to these beginning Latin students! Conjugations and declensions contrive to make life unhappy for these people but at the end of the year when they can quote Caesar like one of his lieutenants . . . "it was worth it."

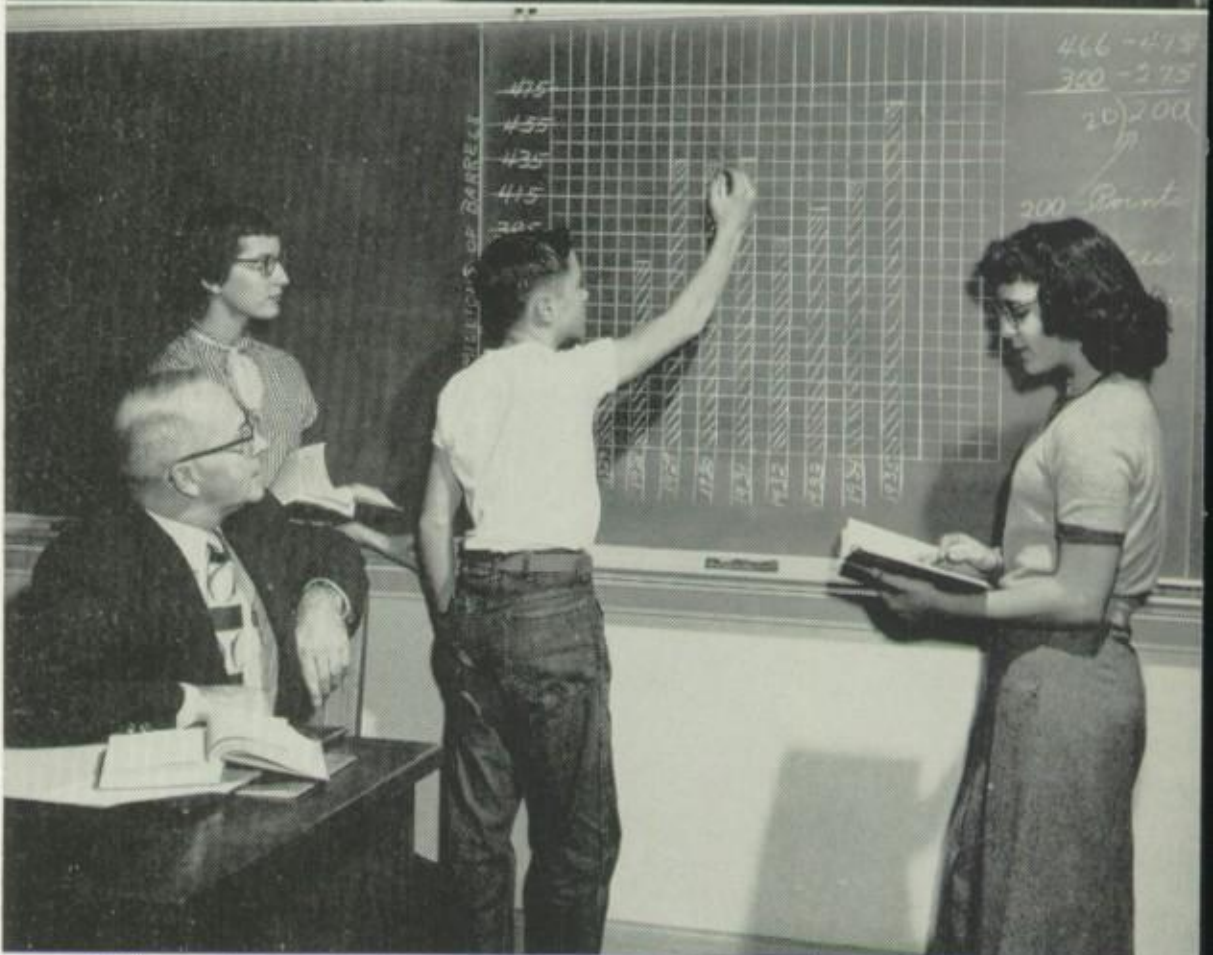

Mathematics

Now Space Cadets, this is the formula for the new gasoline used in our rocket ships—or is it? No, it's just one of the many formulas used in Mr. Greninger's trigonometry class.

Facts and figures! They seem to know what they're doing. These students have to learn the basic principles of math before they are capable of doing any form of advanced study on the Rocket or automobile.

What's that? You're looking for the unknown quantity? Well—keep trying! It's bound to be around somewhere. Maybe Mr. Boucher has the solution.

COMMERCIAL

"Now watch closely, girls. You will soon be using this machine to mimeograph many important papers for the Space Academy."

"Yours is a very important job, for in order for our Space Academy to function properly you must be experts in book-keeping."

These jet-propelled students are learning their A B C's of typing under the expert supervision of Miss Zabo.

HOME ECONOMICS

Good food and its preparation is very essential for us Space Cadets. Under the supervision of Miss Luther, our new cooking teacher, we get first hand information.

These girls were up to the minute in style in 1954, but this year the space suit with special antennas for interplanetary conversation is the thing.

A R T

What's this? Is it a picture of Planet X or one of the military secrets of Space Patrol? It may seem so to us, but of this you can be certain: Whatever Mrs. Marshall and her art students do, it will be of the best quality. This year, several paintings of art students have been exhibited in the trophy show case. Each year samples of these students' work are sent to Pittsburgh and entered in an art exhibit. Many of our students have won awards for their artistic skill.

VOCATIONAL AGRICULTURE

These are the boys who study the soil of the different planets and determine which crops would be most suitable. They also exhibit their best plants and animals each year at the Farm Show, which was held in Harrisburg this year.

SHOPS

These boys learn how to cut, mold and shape metal into useful and decorative articles which go into the making of our super jet cars.

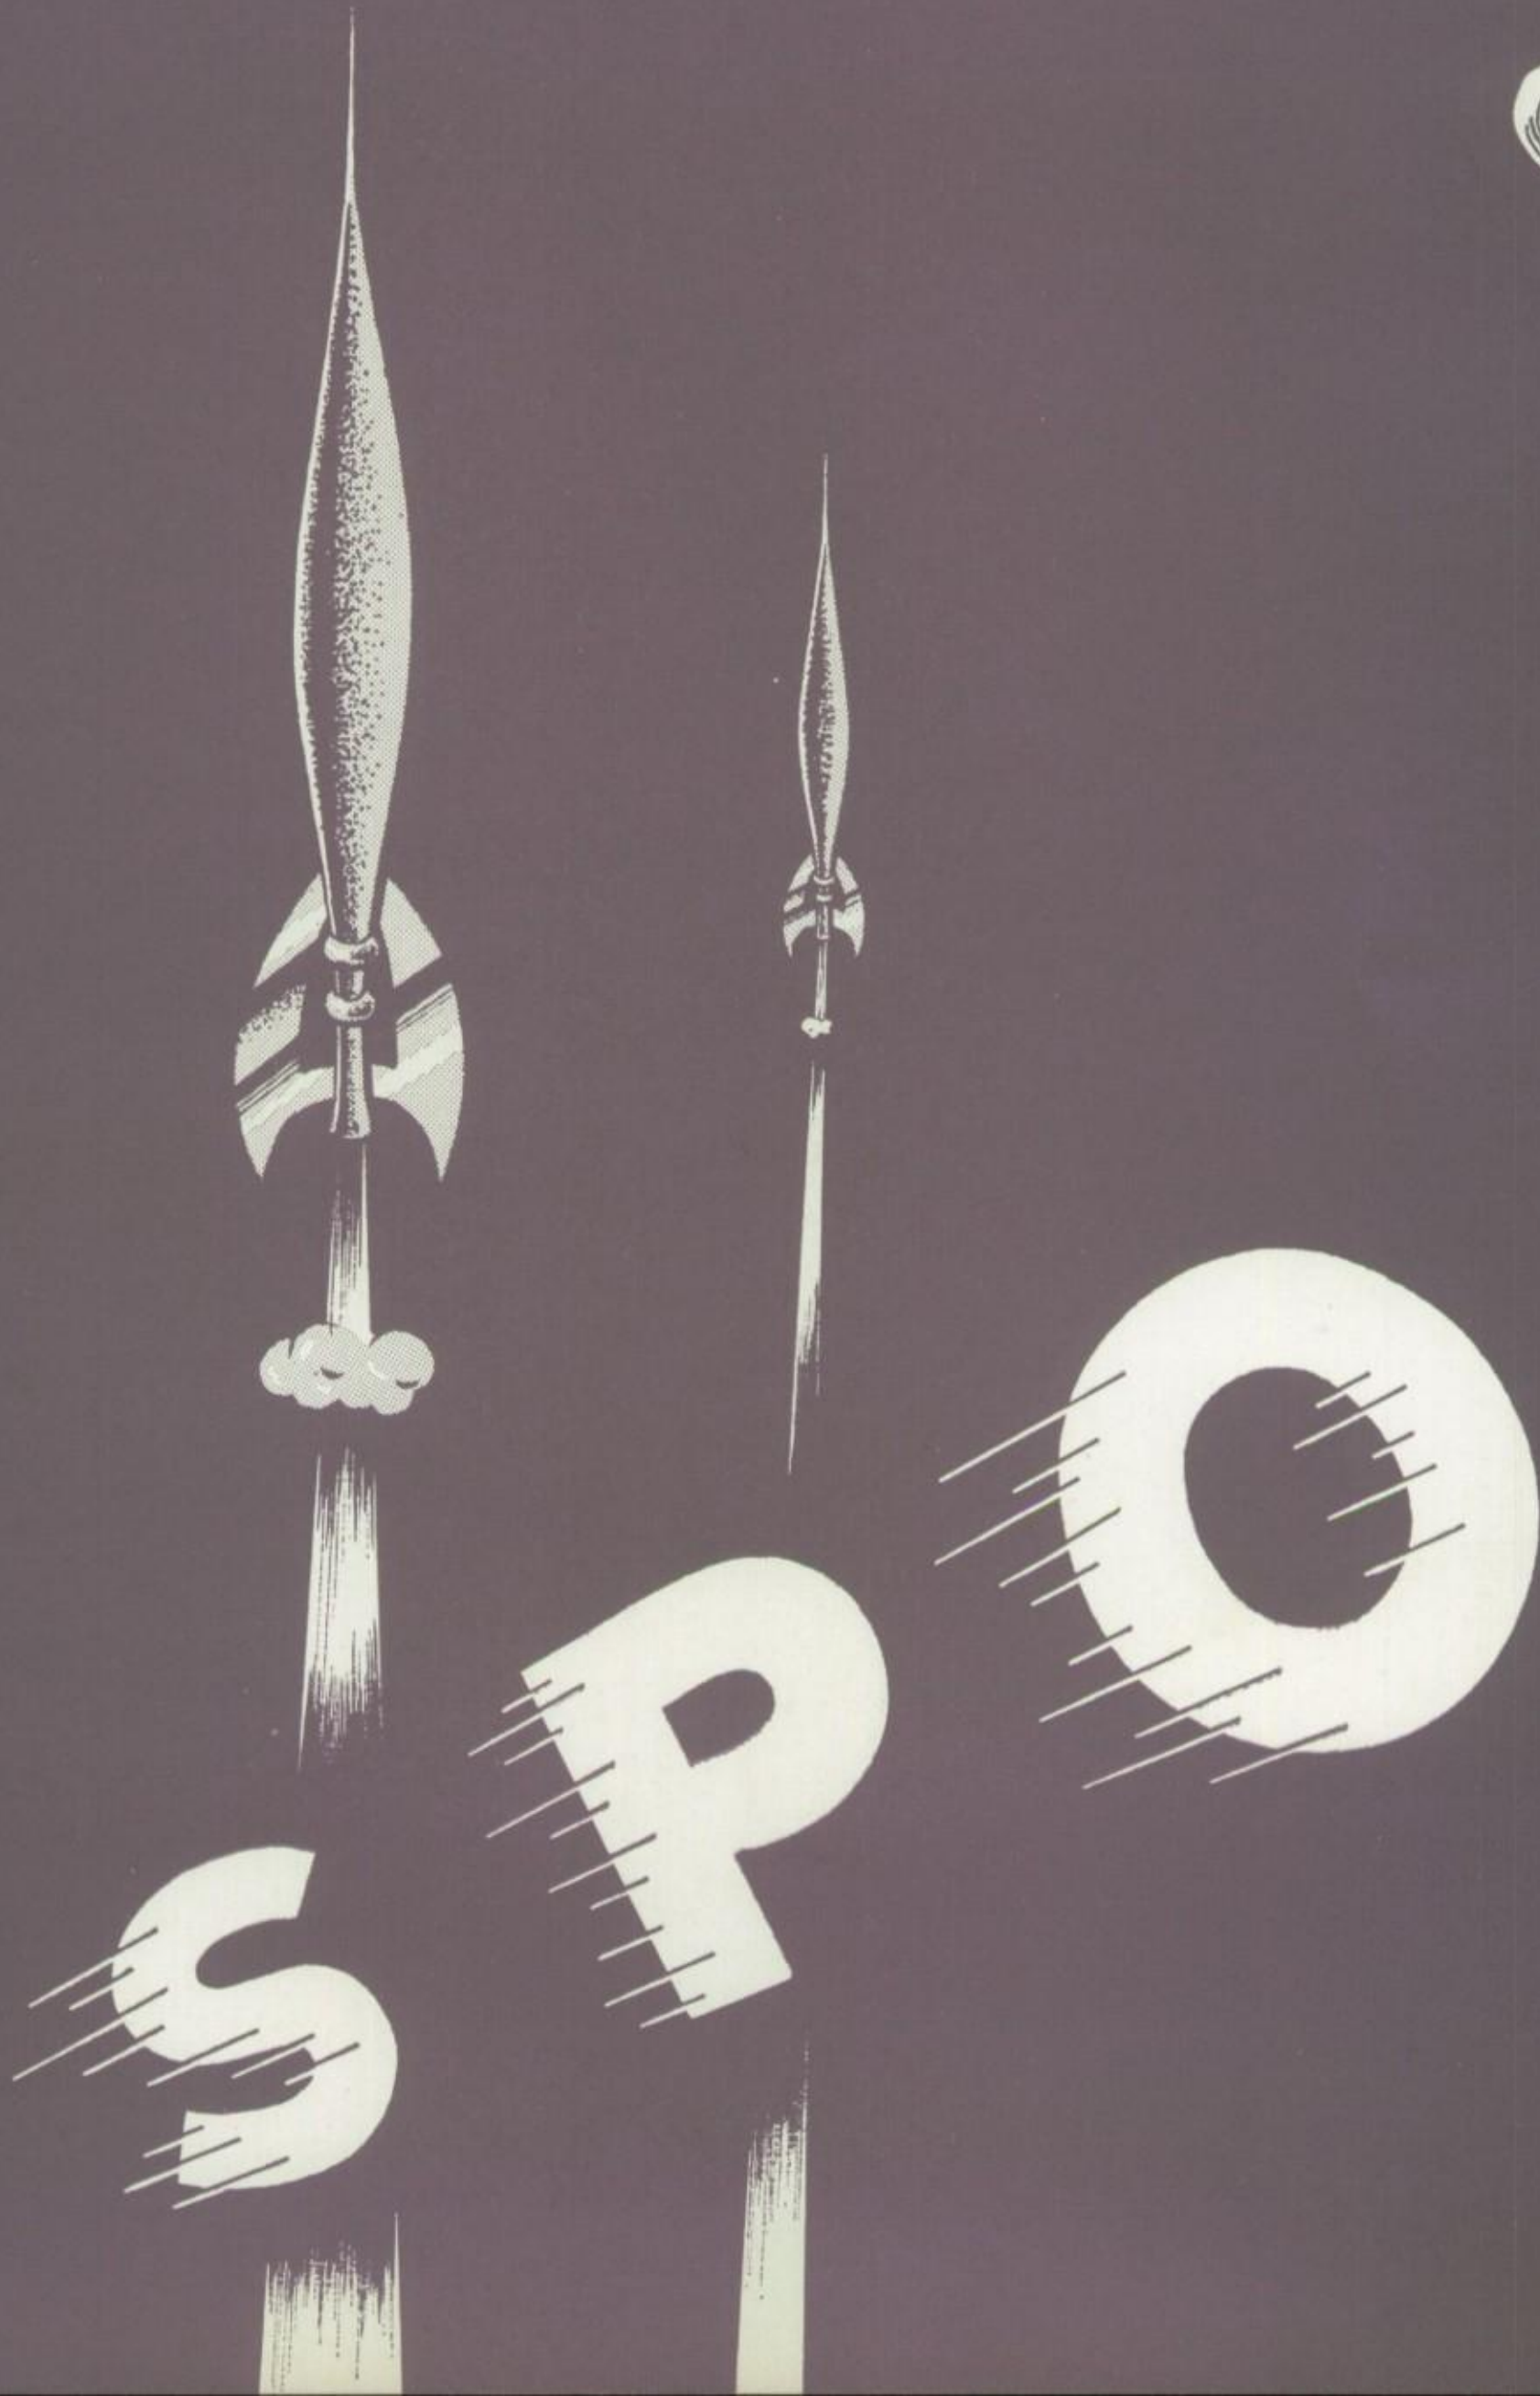

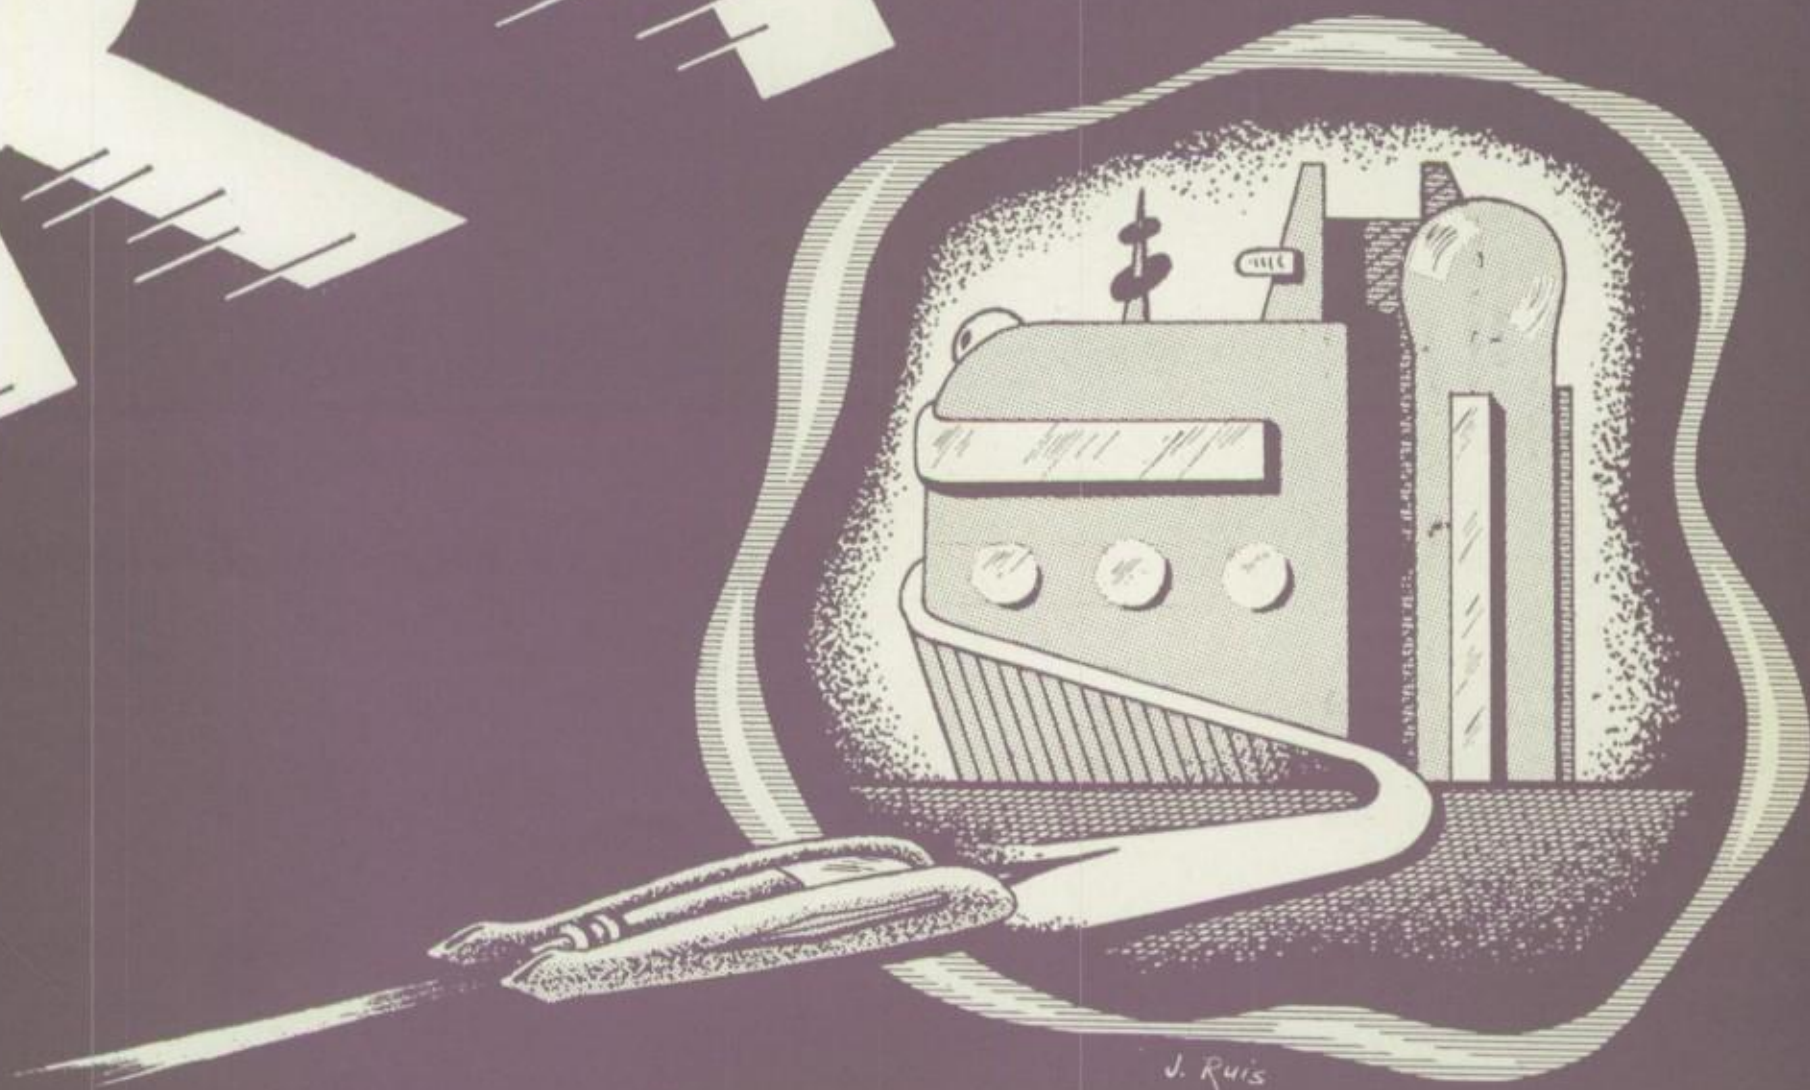

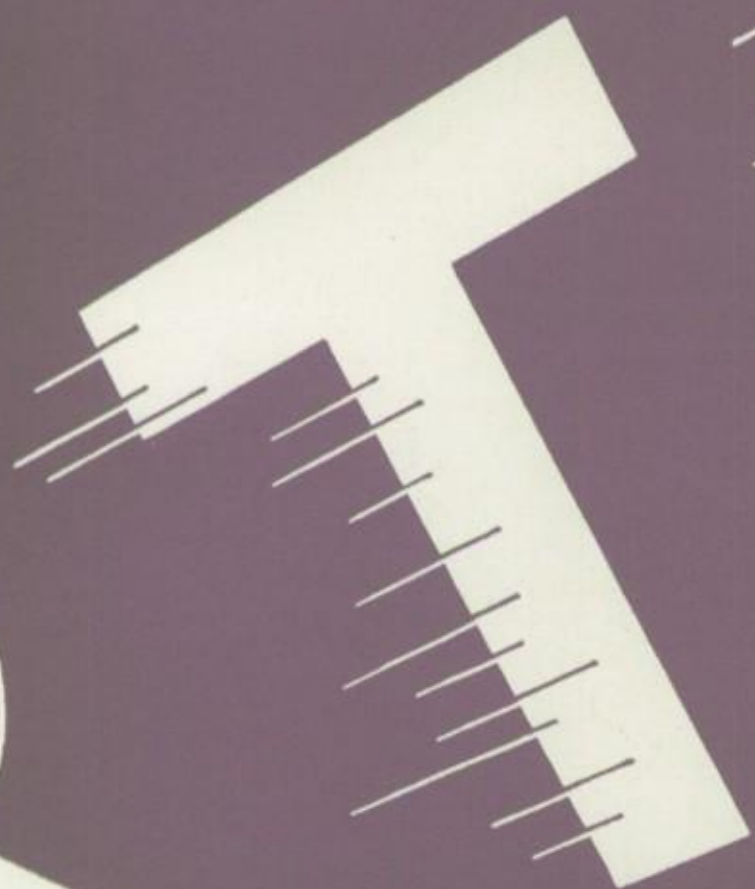

The sound of saws and hammers was heard in the shop almost any period of each day. These boys worked hard to create useful articles which they could use at home or sometimes even here at our Space Cadet School.

It doesn't look as if these boys are studying blueprints, but they should be since they will soon be attempting to build an Atomic Hydrogen Space Ship.

FOOTBALL

The C. T. H. S. Indians staged a highly successful football season during 1953. The charges of Coach Terebus, who served his fifth term as mentor of the Tribe, posted an eight win, two loss record. Windber and Adams Township were the two obstacles that kept the Redmen from going undefeated. The gridiron charges racked up 278 points for the season against 140 for the opposition. The Tribe's average per game was 27.8 tallies. In the first game of the season the Tribe downed Lewistown on their own field, thereby avenging a stinging defeat received the year before on our reservation. Ron Telenko highlighted the game with two touchdowns.

The Tribe whitewashed the Boswell Bears 42-0 in the initial home contest. Park Baker, playing his second full varsity game, rolled over four touchdowns. When he continued his scoring performance by tallying all the touchdowns in the following game with Ebensburg, it made Baker the man to watch.

The Redmen had quite a scare in the Westmont contest. Trailing by two touchdowns, 19-7 towards the end of the second quarter, the Tribe played smartly in the second half and slipped by the Hilltoppers.

C. T. H. S. met disaster in their fray with Windber, the game being a shutout for the Indians. This was an unusual experience for the Tribe as it was the first shutout in five years. However, Coach Terebus's charges downed Bedford 46-6 the next week making up for the Windber loss.

Another first for the team was the defeat suffered in the game with Adams Township's super team. The final home game with Shade Township was a fitting climax to a successful season. This was played in such a snowstorm that by the time the final whistle had blown only a mere handful of spectators were left to witness a slashing victory.

The Indians placed second in the Mountain Conference.

The Tribe will be missing the services of ten Braves. They include Ronald Telenko, Wayne Holsopple, Ronald Golembeski, Ronald Harmon, James Devine, Ronald McClemens, Edwin Kozielec, Michael Koss, Ronald Meyers, and Ronald Gindlesperger.

Ronald Telenko was honored by being placed on the Tribune All-Star Scholastic Squad. An athletic banquet, honoring the football players, band and cheerleaders, given on November 17, finished the season.

The C. T. H. S. cage team under the direction of Coach Colliver combined talents to win eight games out of a twenty-one game slate. Although the cagers were not so successful in piling up victories, they actually had a stronger team than their record indicated. In sixteen of their games they scored sixty points or over and dropped eight contests by ten points or less. The Tribe had a good offensive record netting 1333 points with an average of 63.5 per game.

Many of the games provided the fans with plenty of thrills and excitement. The game with Richland Township which the Tribe won 54-52 in an exciting seesaw battle was one of the thrillers. The afternoon contest with the Alumni, won by the Tribe 78-63, was another. The close contests with Westmont and Windber in which the Redmen lost 73-70 and 65-60 in the last few moments of the game had the crowds shouting. An extra period was necessary to win the victory over Somerset in a close 72-70 score. The games with Ferndale and Ebensburg in which the Tribe pulled through 74-71 and 68-74 respectively had the fans on the edges of their seats.

The season had many highlights, one of which was Dalton Cable's phenomenal scoring. "Dal" who last year broke the school's scoring record with 34 points broke his own by tallying 40 points this year in the Westmont game.

The Tribe will be losing four lettermen: Dalton Cable and Ronald Telenko who will be graduated; George Law and George Semivan who have passed the age limit.

WRESTLING

The grapplers of Coach O'Connor rolled up the mats this year with a seven win, four loss record.

Bob Jones, captain, was the only grappler who was undefeated for the season. One draw kept him from a perfect record. He also led in points with a total of 39. Calvin Beam and Paul Gindlesperger followed with 35 points each while Ronald Kelly tallied 33. Gindlesperger and Beam led in pins recording five in the season.

The Redmen netted 266 points for the season while the opposition garnered 204.

C. T. H. S. placed second in the annual District 5 Tournament held at Boswell.

The Redmen lost five lettermen this year: Bob Jones, Calvin Beam, Paul Gindlesperger, Herbert Shroyer through graduation and Basil Perin through age.

Michael Poeta, Ronald Kelly, Ronald Horner, Larry Williams, Bill Tremain, Gerry Manges, and Bill Thomas are the lettermen returning next year.

BASEBALL

Conemaugh Township's Diamondmen, under the able management of Coach Shank, racked up a perfect eight win, no loss record winning first place in Section 1 of the Tri-County League. This enabled them to meet Indiana, Section 2 titleholder for the league championship, but not to cop the title. They lost the playoffs in two games, 7-3 and 3-2.

The starting lineup included Nello Rimoldi, first base; Emil Scipione, second base; William Petro, shortstop; Steve Sepety (when not pitching) third base. Jack Bollington, Stanley Shilling and Joe Ellingsworth, outfield. The pitchers included Ronald Telenko, Steve Sepety, Gary Lasako, Robert Roseman, Oatis Page, Richard Mills, and William Thomas. Gerald Grandas was a substitute catcher and John Howard and Ray Stevens, substitute infielders.

Emil Scipione, Jack Bollington, Stanley Shilling, Steve Sepety, Edgar Carrico, Nello Rimoldi, William Petro, Joe Ellingsworth, and Bob Roseman were lost to the team through graduation.

TRACK

Under the direction of Coach Colliver the C. T. H. S. Cindermen competed in four track meets during the 1953 season. The Coaches meet at Cochran and the quadrangular meet at Somerset were postponed. In the first contest, the Tri-County meet held at Cochran, the Tribe placed fourth with $15\frac{3}{4}$ points. The Indians then placed in a tie for third place with Derry Township in the Junior Pitt meet at Cochran, scoring 10 tallies. At the triangular meet in Somerset, our Redmen won first place, winning five first place standings out of thirteen events. C. T. H. S. wound up the season by placing third in the District 5 meet at Somerset.

The Tribe lost three lettermen: Bill Petro, who was graduated, Tom Ratliff, who moved from the district, and Jim Devine who will not be eligible this year because of age.

Four lettermen, Paul Lehman, Gerry Manges, Ron Meyers, and Park Baker will return to the 1954 track and will be in there plugging to cop the District 5 title again.
